

# SPECIAL EVENT IN SAVANNAH - DINNER WITH THE PRESIDENT

## MR. WILLIAM BOZE – INTERNATIONAL SAWE PRESIDENT & EXECUTIVE DIRECTOR ELECT

**SOCIETY OF ALLIED WEIGHT ENGINEERS**  
*Aerospace • Marine • Offshore • Land Vehicle • Allied Industries*

**William Boze**  
**International SAWE President**  
**Huntington Ingalls Industries**

### ***“Everything You Wanted to Know About Mass Properties Engineering but Were Afraid to Ask”***

Bill Boze’s frank, passionate and informative perspective on mass properties engineering is backed by research and supported by personal (and often humorous) experience. He will explore a range of topics including but not limited to:

- The value of mass properties engineers;
- Why anyone would want to be a mass properties engineer;
- How you cannot achieve greatness without mentoring;
- Plus near term opportunities for mass properties engineers.

Don’t miss this rare occasion to meet, not only the International President of SAWE, but a champion for mass properties engineering, industry standards and mass properties engineering certification.
