Society of Allied Weight Engineers Southeast Region Chapter

To All:

Happy Hour - Thanks to everyone who attended our Happy Hour on the March 15th. We had a great turn out, and a lot of fun. Keep an eye out for future events.

International Elections - International elections for officers, and voting on By-laws changes are currently underway online until April 15th. Please take a moment to vote by clicking here => [VOTE](#). You will need your membership id number (token) to vote, which should have been mailed to you recently. You can also find this number by logging into your account on the international site.

Local Elections - Local Chapter elections for President, Vice President, Treasurer, and Secretary will take place shortly. If you are a current member, and would like to be on the ballot for any of these positions, please let me know ASAP.

Membership - Please renew your membership for the next year at <http://sersawe.org/#membership> as soon as you can. The membership fees are as follows:

- Member - \$60
- Retired member - \$30
- Student Member – Free
- Lifetime - \$900
- New Member - \$30 for first year. Includes download of SAWE Weight Engineers Handbook

If your membership has lapsed over the years, the \$20 reinstatement fee is being waived until May 31, 2018, and your membership will be valid from the time of payment till April 30, 2019. Also, Gulfstream employees receive a 50% reimbursement for membership fees to the SAWE. Contact me for details on how to submit this expense for processing.

Please invite others to join as well, to take advantage of all the benefits SAWE has to offer, including:

- Three issues of the Weight Engineering Journal
- Four issues of the SAWE Newsletter
- Access to members only content through the SAWE website
- Update Membership information and renew membership online
- The Conference Announcement and discounted conference registration
- The opportunity to take specialized training classes
- Participate in development of SAWE Recommended Practices and Standards
- 10 free downloads of technical papers or recommended practices*
- Discounts for all SAWE publications and textbooks
- Free handbook updates and revisions
- Networking opportunities with experienced Mass Properties professionals in multiple industries

Please let me know if you have any questions.

Best Regards,

Damian
